INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, DC 20231

In order to comply with discretionary regulations 37 C.F.R. § 1.97 and § 1.98, attached hereto is Form PTO-1449, and copies¹ of the documents listed thereon.

¹To the extent that a document is listed and no copy of same is attached, then such document is not at the present time available to the undersigned or is available in the file of a parent application. If a listed document is not in the English language and an English translation is readily available, such translation is also attached; if translation

These documents contain information which the Examiner may consider to be important in deciding whether to allow the present application to issue as a patent.

In accordance with M.P.E.P. § 609 and § 707.05(b), it is requested that each document cited (including any cited in the above-identified application which is not repeated on the attached Form PTO-1449) be given thorough consideration and that each document be cited of record in the prosecution history of the above-identified application by initialing on Form PTO-1449. Such initialing is requested even if the Examiner does not consider a cited document to be sufficiently pertinent to use in a rejection, or otherwise does not consider a cited document to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. Such initialing is requested so that each cited document becomes listed on the face of any patent issuing from the above-identified application.

The present Information Disclosure Statement is being submitted in compliance with 37 C.F.R. § 1.56 insofar as an Examiner might consider any of the cited documents important in deciding whether to allow the above-identified application to issue as a patent, but the citation of each document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, if any search was conducted, and it is anticipated that the Examiner, in the normal course

is not attached it is not readily available to the undersigned. If a foreign language patent document is cited, and an English language equivalent is known to the undersigned, then such equivalent patent is also cited on the attached form along with the corresponding foreign language patent and a connecting arrow indicated therebetween; if no such English language equivalent is cited, then none is known to the undersigned.

of examination, will make an independent search and will determine the best prior art consistent with 37 C.F.R. § 1.104(a) and § 1.106(b) and, in the course of each search, will review for relevance every document cited on the attached form even if not initialed.

Early and favorable consideration is earnestly solicited.

This Information Disclosure Statement and attached documents are filed² pursuant to 37 C.F.R. § 1.97,

☒ Para. (b) - NO FEE IS REQUIRED.
